## CLOSING THOUGHTS

### CLOSING THOUGHTS ON THIS PUPPY

ALOE: This puppy is a beautiful dark red headed curly boy. He has soft green/copper eyes and copper points on his legs. He caught our eye initially with his markings and won us over with his pleasant disposition. He does have an underbite which does not allow him to be a Guardian Dog or Breeding prospect. The underbite should not affect his health or nutrition. Aloe will do good in most homes as he is well rounded and easy going.
