CLOSING THOUGHTS

CLOSING THOUGHTS ON THIS PUPPY

BOWTIE: What a lovely puppy. This boy melts our hearts daily. He has come together really nice over the past 8 weeks. He is friendly, spunky, and full of energy. He will loves to be the center of attention and should do very well in the puppy training stage. He is small and compact and is perfect size. Please consider using and ear weight method to hold his eat set down, you can look up videos on

YouTube. 6 months of ear weighting will go a long way.
