CLOSING THOUGHTS ON THIS PUPPY

Puppy Crackle: PICK OF THE LITTER. This puppy has WOW'd us very early on. She is very confident, very personable, and very friendly. She takes on any object, activity or lesson. She has no fear and makes great eye contact. She will be EASY to train and become the love of your life. She is exceptional in every day and will make a great pet or breeding prospect for most households. Her hazel eye will turn golden and her blue eye should turn light blue.
