CLOSING THOUGHTS

CLOSING THOUGHTS ON THIS PUPPY

Dartmouth is our pick of the litter. His easy going personality has really won us over. He is quiet and will let us carrying him around all day. He has such a soft coat and his confirmation is quite nice. He will look into your eyes and possibly your soul if you let him. I would advise that this puppy goes to a household with less than 4 humans so he does not get overloaded with extra stimulus. This is a great starter dog for a young couple, old couple, or even a teenager who has earned a pet. I can't say enough great things about this puppy. Good thing he is not a girl because we would hold him/her back in a heartbeat.
