CLOSING THOUGHTS

CLOSING THOUGHTS ON THIS PUPPY

FERN: This pup is a picture perfect aussiedoodle. He appears to have more of an aussie coat and it is thick with less curl factor. He has great markings and is compact. Fern has been consistent and is the leader of the pack. He has found his voice and likes to communicate with us. He is EXTREMELY

friendly and loves to get into everything. He will take to the ball and pretty much anything you throw at him. We will only consider a family who understands there is a little more work with leader type puppies. Daily training is a must.
