CLOSING THOUGHTS

CLOSING THOUGHTS ON THIS PUPPY

IRIS: This puppy is the only girl and has stood out among the litter since week 2. She is a little more independent and tends to watch before she acts. She reminds us a lot of her mama doggy when she stares directly into your soul. I believe Iris will be a very good 1v1 companion. A great dog for an elderly couple/single person vs a household of kids. I think Iris will want to be the Princess of the Castle and the Tom Boy at the same time. She will be very velcro and communicative. She appears to be an active puppy when she finds her rhythm and will keep you on your feet.
