CLOSING THOUGHTS

CLOSING THOUGHTS ON THIS PUPPY

KLAUS: This little guy is Mr. Personality. He is very friendly and silly. He makes odd noises and is often curious about what is going on. He plays really well with the other pups and will need a little confidence building with new humans, especially children. He is a really good pup and will be easy to train and give lots of love. Expect him to be active and interested in focused dog sport or activity. He will go a long way if you set him up for success.
