CLOSING THOUGHTS

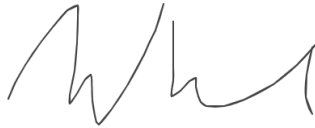

CLOSING THOUGHTS ON THIS PUPPY

LUPIN: This puppy has earned our BREEDER'S PICK AWARD aka the Fluffy Potato Award. That means he is our favorite of the litter based on temperament and factoring in confirmation (the look). We really like his soft curly black coat with subtle hints of white and copper. His eyes are very soulful and pleasing. He is the closest to the "aussie look" but maintains the fluffy curly coat. We would keep him if we could so our loss is your gain. He loves to be held and cuddled. He makes great eye contact and interacts with us. We have no concerns on this puppy and just hope he is match with a family that will love him till the end. He is a great example of an aussiedoodle and our favorite pup of the litter
