CLOSING THOUGHTS

CLOSING THOUGHTS ON THIS PUPPY

Notre Dam is the leader of the pack. This is the alpha and he has LOTS of personality. Alpha dogs are usually very outgoing, they have tons of confidence, and can be the noisiest. They are also typically highly intelligent. The alpha dog is best placed in a family with children or a single person. That does seem like polar opposites but typically a leader dog needs to have either a lot of stimulus OR a very structured schedule. Notre Dam will pick up commands and instructions very very quickly. He will also be in love with other dogs, interactive toys and puzzles, and new experiences. I think leader dogs take more work in the beginning but end up being absolutely incredible dogs as they mature. Preference will go to a family with previous or current dog experience.
