## CLOSING THOUGHTS

**CLOSING THOUGHTS ON THIS PUPPY**

Puppy POP!: This pup is really very stunning with his contrasting colors in the merle coat. He has soft white features which makes his expression very pleasant. He is such a good boy and showing us more development every day. He is interacting more with humans this week and gaining confidence. He loves to play with his littermates and get snacks at the milk bar. This pup will be well rounded and should fit into most families really well.
