CLOSING THOUGHTS

CLOSING THOUGHTS ON THIS PUPPY

SUNNY: We finally made a Lyra mini me (Lyra is the maternal grandmother of this puppy). Lyra has always been our favorite dog and the easiest puppy we have ever raised. Puppy Sunny is so similar with her tendencies and mannerisms as well as her appearance. She is a bit shy and timid with new things but will wag her tail as fast as can be. She will scuttle away and turn into a puddle, show you her big doe eyes, but be happy as a clam. Puppy Sunny will be very easy in the puppy stage but will need confidence building, extra socialization and outings, and lots of consistency over the first six months. We have no doubt that she will be an amazing laid back little dog once she matures and completes her training.
